A few comments on the performance:

"Your demonstrations were thought-provoking and challenging. It made our members think!"

-The Mensa Society

"Your humorous and educational presentation made this one of our best meetings this year."

-Maryland Dental Association

"Your demonstrations of the power of the mind were an eye opener and made us all think about the possibilities of our own minds."

-University of West Virginia

"Our members are still talking about your presentation and demanded your return. Thank you for making our meeting special"

-Noxell Corporation

"The Trattner's readings were positive, accurate, and helpful."

-The Baltimore Chronicle

"The lines at your booth helped our promotions greatly.

The people are still calling and asking when the Trattners will be returning."
